State Board Of Health Approves Sewer Plans

Commission Will Make Repairs On City Hall Auditorium

Stating that there was not a functioning civic organization in Palm Beach County than the RDB, and none which went all out to give the Glades area support, the commissioners, which were of great importance to Belle Glade, City Commissioner W. W. Weeks presented the RDB with the City Commission giving it some additional financial assistance to carry out its vast program.

After scanning city funds, a way was found to meet the needs which must be provided, and as a result, a gift of \$250.00 was authorized. In doing this, the city was following in the footsteps of several other counties in the county, finding that this was passing an organization which accomplished things by its promotion and public action.

The next day, police officers arrested Roland Downey, the divorced husband of Mrs. Downey, on a charge of arson to which crime he later admitted guilty, and now faces court trial.

Death Claims A Pioneer Glades Missionary Pastor

Wom's death of Rev. E. L. Housley, pioneer Methodist Missionary to the Glades, died in his old home in Canton, Ohio, where he had recently received a home. Rev. Housley and his daughter, Mrs. Loma Haines, had taken the bodies of their wife, Patsy Housley, and their grandchild, Shirley Housley, who were killed in a train in West Palm Beach, along with June 7, to Canada for a vacation. Housley died at the age of 86 after a brief burial war at Canton.

The Housleys served as missionaries in the Glades section of the state, first at Okeechobee, then at West Palm Beach, and finally at Belle Glade, where they were buried.

Red Cross Came To Give Assistance

Considerable amanagement confronted the city officials of Belle Glade, last week, when a Red Cross unit from West Palm Beach came out ready to do their best to rescue and feed service for the area.

The necessity of this trip was based on the latest news paper report of condition in the Glades appearing in the East coast area papers.

The crew officials were informed that the area was marooned as needed because of flood waters, no one was going hungry or unclothed without shelter. And for the present the Red Cross was the only type of Red Cross assistance.

With those facts facing them, the crew returned to its base, but showed a willingness to give aid, even if it was reluctantly. True we have had heavy rains, lots of back flood water, but what damage has been done has been to the field and cattle, but the people have been in need of any care.

Does Advertising In THE HERALD Pay?

The Belle Glade Herald
Belle Glade, Florida

Gentlemen:

We feel that we owe a great deal of our success to our advertising in THE HERALD, and have found out through past experience that spending does not pay. Every letter that we have received by our advertisers in THE HERALD has been returned to us faster than it would have been with any other piece of equipment that could pay.

At the beginning of the summer we spent advertising for a short time, then we had a total gain of 10 per cent taking into consideration our 30 per cent loss. This same back in sales was made possible through our advertising with THE HERALD.

It has been our will to continue to do the best we can for the people of the Glades, and have never noticed any advertisement in the Glades to be the lowest possible price through advertising, we are.

Very truly yours,

Hendry's Super Store

Marvin Hendry.

Donald McLaughlin Narrowly Escapes Death In Georgia

Donald McLaughlin, a former salesman for the Scranton store, recently became a victim of a house fire in Atlanta, Georgia, where he makes his home with his sister, Mrs. Francis Dow, now residing on the ground floor of their home. The sister and Donald, were awakened to find that their home was on fire. They just had time to make their escape, but did so only in their night garments. The home and contents were completely destroyed by the blaze, lost partially insured.

The next day, police officers arrested Roland Downey, the divorced husband of Mrs. Downey, on a charge of arson to which crime he later admitted guilty, and now faces court trial.

The project was under plan and consideration for many months and as prepared, is the most efficient method of carrying out the funds to be put up to carry the construction of the travel artery from the Federal and State governments.

This new Federal highway will run from Miami to south this country, and the route will skirt the route of the Seaboard

Vann's To Rebuild Packing House

Vann's, Incorporated, of Pahokee, one of the pioneer produce companies of the Glades, has started work on the construction of a new packing house on the site of the former plant, which was destroyed by fire five years ago. Plans are to have the new plant up and equipment in place for the October harvest. Vann's have been operating from the State Market for the past few years.

Issues Permit For Large Nite Club Building

It seems that people in Belle Glade are bound to build new properties or revamp old ones, judging by the permits granted by the city for the past two weeks.

On July 25 to July 26, which aggregate 102 feet will be removed to start a new club and placed on its new location, along with a new 80,000 dollar block on Av-

enue A.

Earning Power

REAL EARNING POWER comes out of service to the public—and there's no substitute for it. It can't come out of strikes. It can't come out of unprofitable businesses. It can't come out of high prices, or out of work done wrong.

REAL EARNING POWER comes out of a working harmony between the man who invests his savings to buy the machinery, the man who directs the company's operation, the man who uses this equipment to speed his work, and the consumer who buys the product.

IT'S TIME FOR BOTH labor and management to stop and study which side their bread is buttered on.

THE TRAGIC FACT of this age is that labor and management have become so busily engaged in disputing the terms of the division of what is produced that they have no room or mental energy left to think of the importance of producing itself.

Clewiston Lion's Club (Continued from Page 1)
Lion to be its president. The club starts off with a membership of 30 of the younger business men of the city and has an apparent success record. President McLeod is born and bred here, and President McLeod is the president, and C. M. Giddins, the secretary.

Belle Glade club was represented by its members in the program activities, namely, Henry O. Earwood, as master of ceremonies; President Emmett Roberts, gave the response to the toast of the world, "was a good man"; Ralph Kirk, was the efficient tail twister.

The main address of the evening was given by Rev. H. L. Ferguson, pastor of First Baptist Church, 2d, of Ft. Myers; and the charter was presented to President McLeod by President East Middleton, of the First Baptist Church.

There were 150 guests from Belle Glade were Messrs. and Madames H. O. Earwood, Emmett Roberts, Ralph Kirk, H. L. Pugh, Spofford, Mr. John G. Giddins, Wm. Collins, H. S. Sewell, Jack O. Johnson, William Rhodes, Van Ivan Horn, H. V. Dras, F. E. Holmgren, Jr., Hotard and Dickman.

The Pahokee club was represented with a delegation of about 40 guests, with President Ed Jensen and M. I. Keen having a part in the program.

Draft Claims (Continued from Page 1)
On their return to the United States, they came to South Bay to organize church work in the glades. They were the first to go to Chautaukla in South Bay, Belle Glade and Canal Point and organized Sunday Schools and held services in the schools and on our island. He also built a parsonage at South Bay where the family lived.

No roads had been then built in the glades and he accordingly built a boat and installed

make their home sometime in August.

Local Fighters Canceled At Ft. Myers

Several of Russell Week's fighting lads went to Ft. Myers last Friday night, to witness bouts between the Lake Worth and Ft. Myers boxing teams. The lads were booked to appear at Ft. Myers, this Friday night, but after seeing the manner in which the officials permitted the fight to go on and because none of the equipment was canceled, as they wanted none of that type of officiating. The locals are fighting under strict AA rules, but not so Ft. Myers.

Coming home east of civilization in attempting to surmount in the highway, there came west into town and remained there for several hours until a wrecker pulled the car out. None of the boys were injured but did find the water quite cold.

Wrestling matches will be held off-site in the break in the schedule of engagements at the Legion hall, or a lack of loose folding money, the only money but a handful of sport fans will be admitted at the auditorium on Saturday night, for the advertised wrestling card. Al Ritchez had three new members on hand to engage in the bouts, and they all looked as if they were very competent men. Just as a good will gift to the fans, new management staged one bout, and then sent them home, after remitting to them their entrance fee.
